JOURNAL OF NURSING STAFF DEVELOPMENT
Volume 12, Number 6, 320–323
© 1996, Lippincott–Raven Publishers

Subject Index

Volume 12

A

ACLS. *See* Advanced cardiac life support
Actual Decision Making instrument, quality of decision-making by registered nurses, 149
Administrative governance model, staff empowerment, 300
Adult learning theory
  applying adult education principles to computer education, 260
  preparing staff members for JCAHO Survey (*Focus*), 42
Advanced cardiac life support (ACLS), retention of ACLS knowledge among registered nurses, 66
Agency nurse, orientation (*Focus*), 41
American Nurses Association, Standards for Nursing Staff Development, 247
Analgesia, postoperative pain management, patient satisfaction with intramuscular vs. patient-controlled analgesia, 46

B

Battered women, nurses' knowledge and educational needs regarding, 229
Bisexuality, reducing negative stereotypes, 127
Book reviews
  Caring for People with Alzheimer's Disease: A Training Manual for Direct Care Providers, G Andersen, 48
  Consumer's Guide to Nursing Research: Exercises, Learning Activities, Tools and Resources, HS Wilson & SA Hutchinson, 273
  Contemporary Professional Nursing, JT Catalano, 317
  Decision Making in Nursing, R Jones & S Beck, 272
  Expertise in Nursing Practice: Caring, Clinical Judgment and Ethics, PA Benner, CA Tanner & CA Chesla, 316
  Family Health Care Nursing Theory, Practice, and Research, SMH Hanson & ST Boyd, 221
  Gerontology Review Guide for Nurses, EC Shaid & K Huber, 316
  Holistic Nursing: A Handbook for Practice (2nd ed), BM Dossey, L Keegan, CE Guzzetta & LG Kolkmeier, 164
  Individualized Dementia Care--Creative, Compassionate Approaches, J Rader & EM Tournquist (eds), 163
  Innovative Teaching Strategies in Nursing (2nd ed), B Fuszard, 48
  Interactive Video: Expanding Horizons in Nursing, MA Rizzolo (ed), 104
  Manual of Staff Development, L Rodriquez, C Patton, J Stiesmeyer & M Teikmanis, 165
  Multidisciplinary Competency Assessment: Ensuring Staff Performance, JM Crabill, DH Mundy, A Piombino, RA Raymond & CA Rooks, 105
  Nurse as Executive (4th ed), BS Barnum & KM Kerfoot, 163
  Nursing Care in a Violent Society, HR Feldman (ed), 106
  Nursing Care of Geriatric Emergencies, CW Bradway et al, 221
  Power, Politics and Public Policy: A Matter of Caring, A Boykin (ed), 106
  Quick Reference to Redesigning the Nursing Organization, ML Fisher, 274
  Reengineering Nursing and Health Care: The Handbook for Organizational Transformation, SS Blancett & DL Flarey (eds), 47
  Simulation and Gaming Across Disciplines and Cultures, D Crookall & K Arai (eds), 318
  Spirituality in Nursing: From Traditional to New Age, BS Barnum, 272
  Stat Facts: The Clinical Pocket Reference for Nurses, BW Holloway, 164
Burnout, work stress, hardiness, and burnout among full-time hospital staff nurses, 81

C

Cardiac emergencies
  competency-based vs. group code blue education, 283
  retention of ACLS knowledge among registered nurses, 66
Certification
  ACLS, 66
  definition, 93
  hospital vs. national standards, 93
Clinical instructor, meeting unit-based educational needs of specialty unit staff, 135
Clinical nurse educator, competency-based orientation (*Focus*), 311
Code blue, competency-based vs. group code blue education, 283
Communication, writing for publication, 289
Competency
  competency-based code blue education, effectiveness, 283
  competency-based orientation for clinical nurse educators (*Focus*), 311
  competency-based orientation implementation, 139
  self-report of competence, 191
Computer education, applying adult education principles, 260
Conference planning, planning a continuing education conference, 159
Congressional governance model, staff empowerment, 300
Continuing education
  contact hour feature (*Editorial*), 5
  continuing health education via interactive television (*Focus*), 98
  facilitating transition from head nurse to nurse manager, 86
  faculty-produced videotapes, 173
  4-steps to an effective staff development program (*Focus*), 216
  knowledge of medication error risk reduction strategies, 19
  learning needs of nurse managers, 27

  continuing health education via interactive television (*Focus*), 98
  facilitating transition from head nurse to nurse manager, 86
  faculty-produced videotapes, 173
  4-steps to an effective staff development program (*Focus*), 216
  knowledge of medication error risk reduction strategies, 19
  learning needs of nurse managers, 27

meeting unit-based educational needs of specialty unit staff, 135
method to increase attendance at mandatory classes (*Focus*), 213
nurses' knowledge and educational needs regarding battered women, 229
peer review program for professional nurses, 13
planning a continuing education conference, 159
product/equipment education, 237
"The Traveling Salvation Show", performance-centered skills fair, 198
Councilor governance model, staff empowerment, 300
Credentialing, definition, 93
Critical care nurse, "The Traveling Salvation Show", performance-centered skills fair, 198
Critical incident technique, identifying learning needs of nurse managers, 27
Cultural sensitivity, staff development through international cooperation, 35

D

Decision-making
quality of decision-making by registered nurses, 149
staff empowerment, 300
Delegation, delegating work, responsibility, and authority in staff development department, 31
Downsizing, surviving the ax, developing an education allocation system to verify productivity and resource consumption, 59

E

Economic issues, developing an education allocation system to verify productivity and resource consumption, 59
Editorial, contact hour feature, 5
Education. *See also* Continuing education
adaptation (socialization) of nursing graduates to hospital setting, 183
applying adult education principles to computer education, 260
clinical experiences for nursing education programs (*Focus*), 265
competency-based vs. group code blue education, 283
conceptual model for development of healthcare educator, 252
faculty-produced videotapes, 173
geriatric nursing education, innovative educational approach (*Focus*), 268
international cooperation, 35
nurses' knowledge and educational needs regarding battered women, 229
preceptors' needs for faculty support, 73
reducing negative stereotypes, working with lesbian, gay, and bisexual people, 127
self-report of clinical competence in educational program design, 191
tutored videotape instruction vs. traditional lecture for basic hemodynamic monitoring course, 119
writing for publication, 289
Equipment. *See* Product/equipment education
Evaluation
clinical experiences for nursing education programs (*Focus*), 265
competency-based vs. group code blue education, 283

F

Focus
agency nurse orientation, 41
competency-based orientation for clinical nurse educators, 311
continuing health education via interactive television, 98
coordinated care contest, 264
developing management skills, 155
4-steps to an effective staff development program, 216
geriatric nursing education, innovative educational approach, 268
method to increase attendance at mandatory classes, 213
preparing staff members for JCAHO Survey: adding the important ingredient of "fun," 42
providing and evaluating clinical experiences for nursing education programs, 265

G

Games/gaming
coordinated care contest (*Focus*), 264
preparing staff members for JCAHO Survey (*Focus*), 42
strategies for continued development of innovative games, 306
Geriatric nursing, innovative educational approach (*Focus*), 268
Getting started, planning a continuing education conference, 159
Governance models, staff empowerment, 300

H

Hardiness, work stress, hardiness, and burnout among full-time hospital staff nurses, 81
Head nurse, transition to nurse manager, 86
Hemodynamic monitoring, tutored videotape instruction vs. traditional lecture for basic hemodynamic monitoring course, 119
Homosexuality, reducing negative stereotypes, 127
Hospital setting
adaptation (socialization) of nursing graduates to hospital setting, 183
developing staff nurse experts in nursing diagnosis-based care planning and documentation, 204
educator's role in implementation of staff empowerment, 300
nurse educator performance standards, 247
nursing orientation, self-study format, 7
nursing staff's knowledge regarding use of physical restraints, 144
stress, hardiness, and burnout among full-time staff nurses, 81

I

In-basket exercise, developing management skills (*Focus*), 155
Interactive television, continuing health education via interactive television (*Focus*), 98
International cooperation, Kenya experience, 35
Intravenous locks, saline flushes for, 8-hour vs. 24-hour flushes, 219

J

Joint Commission on the Accreditation of Healthcare

Organizations, preparing staff members for JCAHO Survey (*Focus*), 42
Joseph Decision Making Tool, quality of decision-making by registered nurses, 149

L

Lesbianism, reducing negative stereotypes, 127
Letters to the editor, teacher/learner relationship, 166
Licensed practical nurse, knowledge of medication error risk reduction strategies, 19

M

Management. *See also* Nurse manager
developing management skills (*Focus*), 155
Marketing, basic marketing principles to promote nursing products and services, 179
Media review
"Clinical Rounds: Pediatric Nursing," HS Charron & SJ McKim, Williams & Wilkins/ Medi-Sim, 108
"Developing Self-Learning Packages (Part 1): Creating a Self-Learning Center (Part 2)," Healthcare Multimedia Group, 275
"Managing Addiction Withdrawal Syndromes: Severe Alcohol Withdrawal (Tape 1) and Opiate Withdrawal (Tape 2)," Williams & Wilkins, 223
"McCaffery's Contemporary Issues in Pain Management," Williams & Wilkins, 50
"Monitoring the Patient Receiving Local Anesthesia: A Computer Assisted Tutorial Program," LJ Schmitt, Williams & Wilkins/ Educational Software Concepts, 319
"Not My Home: Life Inside a Nursing Home," S Babin, T Deveaux, & B Deveaux, Fanlight Productions, 108
Medication errors, nursing staff's knowledge of medication error risk reduction strategies, 19
Models
conceptual model for development of healthcare educator, 252
patient-focused care delivery model, 208

N

Nurse educator
4-step instructional design and systematic curriculum development strategy (*Focus*), 216
identifying learning needs of nurse managers, 27
international cooperation, 35
performance standards, 247
tutored videotape instruction vs. traditional lecture for basic hemodynamic monitoring course, 119
workload, developing an education allocation system to verify productivity and resource consumption, 59
Nurse manager
educational program to ease transition from head nurse to nurse manager, 86
learning needs identification, critical incident technique, 27
Nursing Education Allocation System, 59
Nursing Expertise Self Report Scale, 191
Nursing Stress Scale, work stress, hardiness, and burnout among full-time hospital staff nurses, 81

O

Organizational socialization
nursing graduates, 183
preceptorship, 294
Orientation
agency nurse orientation (*Focus*), 41
competency-based orientation for clinical nurse educators (*Focus*), 311
competency-based orientation implementation, 139
organizational entry phase of nursing graduates, 183
preceptorship, 294
self-study format, 7

P

Pain management, postoperative, patient satisfaction with intramuscular vs. patient-controlled analgesia, 46
Patient care
nursing diagnosis-based care planning, 204
patient-focused care delivery model, 208
Patient education
teaching by the clock in primary care clinic, 314
telling your story, 102
Patient rights, physical restraints, 144
Peer review, peer review program for professional nurses, 13
Performance standards, 247
Personal Views Survey, work stress, hardiness, and burnout among full-time hospital staff nurses, 81
Physical restraints, hospital nursing staff's knowledge regarding use of physical restraints, 144
Physical safety devices, hospital nursing staff's knowledge regarding use of physical restraints, 144
Policy and procedure, hospital nursing staff's knowledge regarding use of physical restraints, 144
Preceptorship
preceptors' needs for faculty support, 73
professional development through, 294
Primary care clinic, teaching by the clock in, 314
Product/equipment education, 237
basic marketing principles to promote nursing products and services, 179
Professional socialization, nursing graduates, 183
Promotion, basic marketing principles to promote nursing products and services, 179
Publication, writing for publication, 289

R

Registered nurse
knowledge of medication error risk reduction strategies, 19
quality of decision-making, 149
retention of ACLS knowledge, 66
Relative Value Unit, workload of nurse educators, 59
Research
postoperative pain management, patient satisfaction with

intramuscular vs. patient-controlled analgesia, 46
saline flushes for intravenous locks, 8-hour vs. 24-hour flushes, 219
Restraints, hospital nursing staff's knowledge regarding use of physical restraints, 144

S

Safety
clinical experiences for nursing education programs (*Focus*), 265
Seminars, writing for publication, 289
Sensitivity Training Related to the Aging Population (STRAP) program, innovative educational approach to geriatric nursing education (*Focus*), 268
Socialization, nursing students/graduates, 183
Specialty staff nurse, meeting unit-based educational needs of specialty unit staff, 135
Staff development educator
delegating work, responsibility, and authority, 31
developing staff nurse experts in nursing diagnosis-based care planning and documentation, 204
4-step instructional design and systematic curriculum development strategy (*Focus*), 216
product/equipment education, 237
role in implementation of staff empowerment, 300
strategies for continued development of innovative games, 306
teaching methods for improving nursing staff's knowledge of medication error risk reduction strategies, 19
workload, developing an education allocation system to verify productivity and resource consumption, 59
Staff development faculty, conceptual model for development of healthcare educator, 252
Staff development specialist, self-report of clinical competence in educational program design, 191
Sterotypes, reducing negative stereotypes, working with lesbian, gay, and bisexual people, 127
Stress, work stress, hardiness, and burnout among full-time hospital staff nurses, 81

T

Tedium Burnout Scale, work stress, hardiness, and burnout among full-time hospital staff nurses, 81
"The Traveling Salvation Show", performance-centered skills fair for critical care nurses, 198

U

Unit-based governance model, staff empowerment, 300

V

Videotapes
faculty-produced videotapes, 173
tutored videotape instruction vs. traditional lecture for basic hemodynamic monitoring course, 119

W

Workload, nurse educator, developing an education allocation system to verify productivity and resource consumption, 59

STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION (Act of August 12, 1970: Section 3685, Title 39 United States Code) Date of Filing—October 1, 1996, Title of Publication—Journal of Nursing Staff Development; Frequency of Issue—Bimonthly; Annual Subscription Price—$57.00; Location of Known Office of Publication—12107 Insurance Way, Hagerstown, MD 21740; Location of the Headquarters or General Business Offices of the Publisher—Lippincott–Raven Publishers, 227 East Washington Square, Philadelphia, PA 19106; Publisher—Lippincott–Raven Publishers, 227 East Washington Square, Philadelphia, PA 19106; Editor—Belinda E. Puetz, PhD, RN, 437 Twin Bay Drive, Pensacola, FL 32534; Managing Editor—Elizabeth V. Neff, 227 East Washington Square, Philadelphia, PA 19106; Owner—Lippincott–Raven Publishers, 227 East Washington Square, Philadelphia, PA 19106; Known Bondholders, Mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities—Wolters Kluwer, US Corp, 1185 Avenue of the Americas, New York, NY 10036. A. Total no. copies printed (*net press run*), average 5,000, actual 4,900; B. Paid circulation—None. Sales through dealers and carriers, street vendors and counter sales, average None, actual None; 2. Mail subscriptions, average 3,946, actual 3,747; C. Total paid circulation, average 3,946, actual 3,747; D. Free distribution by mail (*samples, complimentary, and other free*), average 151, actual 190; E. Free distribution outside the mail (*carriers or other means*), average None, actual None; F. Total free distribution, average 151, actual 190; G. Total distribution, average 4,097, actual 3,937; H. Copies not distributed 1. Office use, leftovers, spoiled, average 903, actual 963. 2. Return from news agents, average None, actual None; I. Total, average 5,000, actual 4,900; Percent paid and/or requested circulation, average 96%, actual 95%. I certify that the statements made by me above are correct and complete. Beverly V. Dietrich, Circulation Director.
